This is A.A. General Service Conference-approved literature.

ALCOHOLICS ANONYMOUS® is a fellowship of men and women who share their experience, strength and hope with each other that they may solve their common problem and help others to recover from alcoholism.

- The only requirement for membership is a desire to stop drinking. There are no dues or fees for A.A. membership; we are self-supporting through our own contributions.
- A.A. is not allied with any sect, denomination, politics, organization or institution; does not wish to engage in any controversy; neither endorses nor opposes any causes.
- Our primary purpose is to stay sober and help other alcoholics to achieve sobriety.

IN 2007 more than 8,000 A.A. members from the U.S. and Canada participated in a random survey of the membership. Such studies have been conducted every three years since 1968 by the General Service Office.

Alcoholics Anonymous conducts this survey to keep members informed on current trends in membership characteristics. The survey also provides information about A.A. to the professional community and to the general public as part of A.A.'s purpose to carry our message to those who still suffer from alcoholism.
